

What should my child wear?

How long are your sessions?

Can I join in the middle of the session?

Yes! We offer open enrollment so that you can join anytime and have your class fees prorated, meaning that you pay only for the remaining classes and not the full session fee.

What is your make-up policy?

Make-up classes can be made online, based on availability, and you must reschedule within the current session. We do our very best to accommodate your requests. If you have multiple children, please schedule a make-up class for each.

How long are each classes?

Each of our classes lasts 50 minutes with a water break halfway through, so be prepared with a water bottle. Between classes, there is a 10-minute break.

What is your policy for accommodating children with special needs?

Skills institute is an inclusive program for children with special needs as long as we can assist them appropriately. Please contact your Skills Institute Coordinator for more information on where your child with special needs fits.

How is Skills Institute different than other programs?

While many soccer programs are busy using traditional methods to teach the technical aspects of soccer in a large group or team setting, Skills Institute maintains smaller group sizes with a focus on where each player is at developmentally. Our goals are to educate, develop, and inspire kids to learn and love the game of soccer. We do this by teaching kids the skills needed to progress to an academy or travel club.
